**Pompeian's Great Popularity With Men and Women Alike**

While Pompeian Massage Cream is used in several million homes by both husband and wife, yet in some homes men still think it is a woman's face cream, and again, women think it is a man's cream. Pompeian is for both, just as much as soap is for both. But Pompeian cleanses, refreshes, improves, and invigorates the skin as no soap possibly can. There is no logical reason why either man or woman should have the cleaner or more wholesome skin.  
 We are all judged largely on first and general appearances. Comparatively few people come to know our inner selves. Hence the value of appearance; hence, the necessity of a fresh, healthy, wholesome skin. Such a complexion is in itself a good introduction for man or woman into either social or business circles.

**YOUR HUSBAND**

Of course, you are interested in having him look his best. Then, why not show him the Pompeian booklet, and particularly the first article and the one just below? A clear, clean skin is a big social or business asset for him, too; Pompeian will please and profit him. You should show him this booklet.

This Cigar contains a seed and Havana filler, with an Imported Sumatra Wrapper. We absolutely guarantee it to compare with any five-cent brand on the market, and to exceed in quality a lot of the advertised trust cigars. For the man who buys his cigars by the box, we offer a novelty in the shape of an octagonal pure cedar box; no paper, nails, or print to come in contact with the tobacco, the wood being held together with pure vegetable glue, exactly the same style as the 25c imported cigars. Perfect, called "Bottle Nature Packing." That is, natural wood packing, and claimed by experts to be the most favorable to hold the natural moisture, and aroma.

**WE WILL PAY \$1.52 To Help You Get Well**

Thousands of people in this country testify to the virtue of the Lambert Snyder Vibrator for relieving suffering and curing disease. We want you to know this by using one yourself.  
 You know when you hurt yourself you rub the spot. When your head aches you rub your temples. Why? Because vibration is Nature's own remedy, and rubbing is Nature's crude way of creating vibration and starting the blood to going. Disease is only another name for congestion. Where there is disease or pain there you will find the blood congested and stagnant. The v can be no pain or disease where the red blood flows in a rich and steady stream. Good circulation means good health. Congested circulation means disease and pain.

**The Lambert Snyder VIBRATOR**

It is capable of giving from 9,000 to 15,000 vibrations per minute—100 times more than is possible with the most expert master of massage. Is the greatest medical discovery of the Twentieth Century. It is a light, compact instrument, weighs twenty ounces, can be operated by yourself with one hand by moving the steel head over the rigid steel rod, and can be placed in contact with any part of the body. It is Nature's own remedy developed and concentrated, and with one minute's use sends the red blood rushing into the congested parts, removing all disease and pain.  
 If you have any of these ailments you need the Lambert Snyder Vibrator: Rheumatism, Sciatica, Lumbago, Gout, Deafness, Head Noises, Stomach Trouble, Indigestion, Constipation, &c. Any disease is the result of inactivity of the organs, and slow circulation is the result of inactivity.
